SUMMARY

highly motivated front-end web developer seeking to apply skills and knowledge to contribute to an organization's growth and success. passionate about creating visually appealing and user-friendly websites and confident in delivering exceptional results.

EXPERIENCE

Front End Developer

Vedic Rishi Astro Solutions

July 2022 - January 2023, Mumbai

As a front-end developer, my role includes:

- Developing user interfaces using Tailwind CSS and Next.js.
- designing and implementing landing pages, dashboards, and sales pages to increase online sales.
- Converting older class-based React JS code to functional code
- Collaborating with cross-functional teams
- Continuously researching and staying up-to-date on front-end technologies.
- Testing and debugging code
